Drop test excluding MSR

Versatile, affordable, xTablet Flex 10C

The value-priced, entry-level Flex 10C is loaded with the power and features you need to excel across a broad spectrum of light to medium-duty applications. From warehousing to retail, the lighweight and powerful Flex 10C is designed to take any business to the next level.

PROTECTION

Engineered for durability, the Flex 10C must endure rigorous military drop testing in order to pass our stringent standards. Ingenious shock absorbing rubber corner bumpers and ridged shell combine to offer protection in demanding environments to avoid interruptions in workflow and extending the life of device.

MOUNTING

Mounting is made easy with MobileDemand's quick release snap mount system. Our rugged design allows safe and secure mounting for demanding applications including warehousing, manufacturing, construction, logistics and so much more.

COMING SOON

MSR PRODUCTIVITY

The Flex 10C with MSR, in the hands of the frontline worker helps expedite service and elevates customer engagement, turning browsers into buyers, and casual shoppers into passionate brand advocates.

CONVENIENCE

Several convenient features come standard with each device, including an easy carry briefcase handle and back hand strap along with versatile snap mount rail. Sealed buttons and ports offer another level of protection from the elements in demanding environments.
